

DÉBORDANTE de CARACTÈRE

BRIMMING with CHARACTER

JOB OFFER - BPS 2016-08-05

HEAD BREWER

Les Brasseurs du Petit-Sault Inc. is an award-winning 15 BBL (17,6 hl) microbrewery located in the *Place du Vieux Poste* downtown Edmundston. Our microbrewery produces a wide range of Belgian inspired beers. Only microbrewery in Northwestern New Brunswick, it is managed by beer passionate people, supported by the entire community.

DESCRIPTION:

Under the authority of the General Manager, the head brewer collaborates in production management, from brewing to packaging. Contributes to training production assistants, to quality control, hygiene, health and safety. The head brewer works closely with management regarding production, brews and keeps all brewing equipment and work surfaces clean. Insures constant and high quality production while developing, when needed, new products according to the brewery's business development strategy. He or she maintains all brewing equipment and accomplishes any production-related work.

Starting date: As soon as possible

Hourly rate / Annual salary: to be discussed

RESPONSIBILITIES:

- Collaborates on all aspects of producing high quality craft beers and oversees the entire production cycle, while documenting the evolution of products in the fermentation and lagering stages;
- Maintains and keeps all brewing documentation up to date, including inventory, production log book and governmental forms as established by management;
- Supervises packaging operations (bottles and kegs) in quality insurance purposes;
- Collaborates with management on production updates;
- Evaluates and controls necessary raw materials and insures adequate supplies to avoid production interruptions;
- Assists management to define short and medium term production forecasts;
- Collaborates with management in production scheduling;
- Contributes to the optimisation of brewing and packaging equipment to insure acceptable end products for timely delivery to clients (just-in-time production);

- Executes all other tasks asked by management;
- Takes part in different promotional events.

PROFILE AND REQUIREMENTS:

- College diploma
- Minimum 6 month experience in a brewery setting
- Basic plumbing and mechanical maintenance knowledge
- Knowledge of chemical and biochemical principles related to the brewing environment
- Working knowledge of Microsoft Office tools and basic computer skills
- Good appreciation of craft beer
- Well-organized and detail-oriented
- Good physical condition, able to stand 8-hour shifts, carry 25 kg (55 lbs)
- Spoken language : French and English
- Good team spirit
- Good communicator
- Punctual and responsible
- Strong problem-solving skills

To apply, please send a résumé and motivation letter via e-mail at info@petitsault.com or by mail at Brasseurs du Petit-Sault Inc., 45 de l'Église St., Edmundston, NB, CANADA, E3V 1J4 no later than August 5th, 2016.
